

For each pattern, print the 2 bases and 2 strap sleeves for its size.

Add 1/4" or wider tab to the bottom edge of one base as shown below.

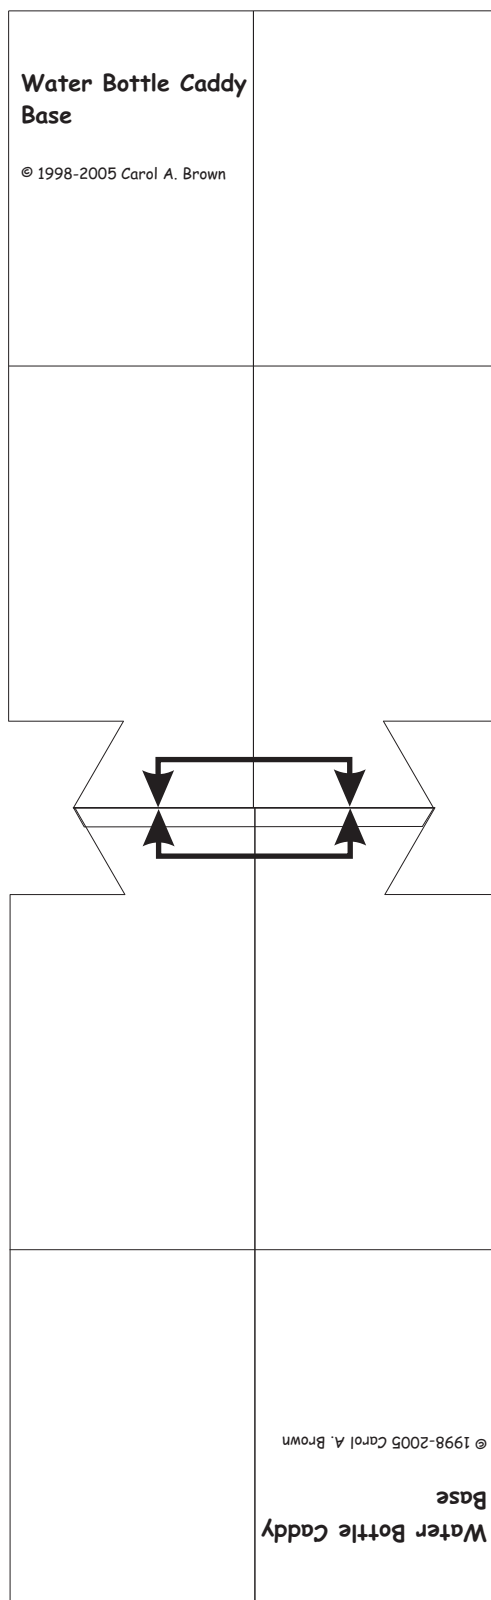

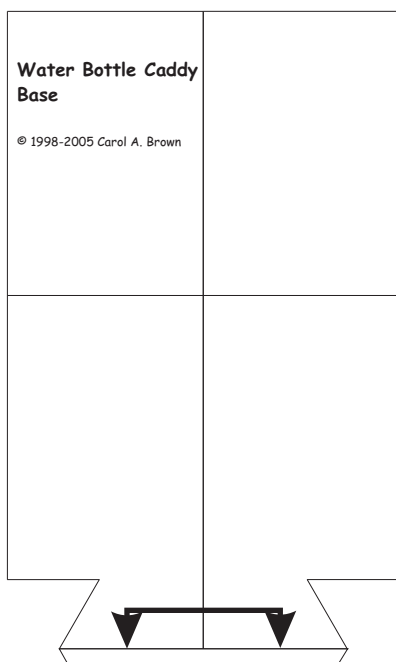

Cut out bases.

Glue or tape the two bases together at the line marked by the double-pointed arrow.

Cut out 2 strap sleeves.

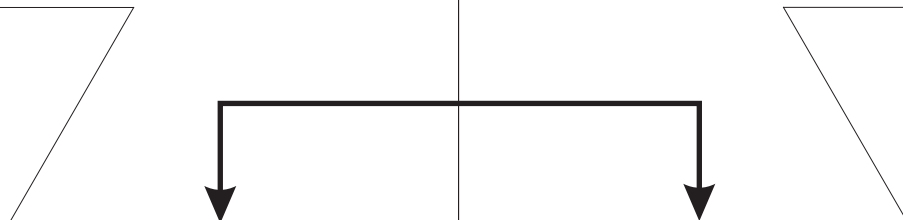

If you prefer, trace onto pattern tracing material.

For Quart Size Water Bottle Caddy, increase width of fabrics and fleece from 7" to 8 1/2".

The image shows a paper pattern for a water bottle caddy strap sleeve. It consists of two identical pieces that are mirror images of each other, separated by a vertical center line. Each piece has a rectangular base with a curved top edge that tapers to a narrower neck. The text is located on the left side of the left piece.
